## A thematic approach focused on the enduring issues in psychology

*Understanding Psychology*, now in its eleventh edition, continues to present a scientific, accurate, and thorough overview of the essential concepts of psychology. Throughout the text, authors Charles Morris and Albert Maisto write clearly and accessibly about the discipline and its concrete, real-life applications. By highlighting five enduring issues that cut across and unite all subfields of psychology – Person—Situation, Nature—Nurture, Stability—Change, Diversity—Universality, and Mind—Body – *Understanding Psychology* helps students see the surprising unity and coherence of this diverse and exciting science.

## Also available with MyPsychLab®

This title is also available with MyPsychLab – an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. Students, if interested in purchasing this title with MyPsychLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information.

*Understanding Psychology*, Eleventh Edition is also available via **REVEL™**, an immersive learning experience designed for the way today's students read, think, and learn.

**Arthur Coe:**

Reading an e-book tends to be a new life style with this era globalization. With reading you can get a lot of information which will give you benefit in your life. Together with books everyone in this world can share their idea. Books can also inspire a lot of people. A lot of authors can inspire their own reader with their story or even their experience. Not only the storyplot that share in the publications. But also they write about advantages about something that you need an example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of books that exist now. The authors nowadays always try to improve their proficiency in writing, they also do some investigation before they write on their book. One of them is this Understanding Psychology (11th Edition).

**Cheryl Ruiz:**

This Understanding Psychology (11th Edition) is a great reserve for you because the content that is full of information for you who else always deal with the world and have to make a decision every minute. This particular book reveals its data accurately using great management words or we can say no rambling sentences inside it. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but hard core information with lovely delivering sentences. Having Understanding Psychology (11th Edition) in your hand like keeping the world in your arm, details in it is not ridiculous one particular. We can say that no e-book that offer you the world with ten or fifteen seconds right but this e-book already do that. So, this really is a good reading book. Hey Mr. and Mrs. stressful do you still doubt that will?
