## **Atlantis: The Antediluvian World: Fully Illustrated** Ignatius Donnelly

This book is the first scholarly study of the actual existance of the Lost Continent of Atlantis. Ignatius Donnelly, former U.S. Senator, a progressive thinker and early supporter of equal rights, Donnelly spent years researching the scientific evidence; archeological, anthropological and linguistic, plus comparative mythology worldwide, to build a compelling and lasting argument for the actual existence of an advanced,lost civilization, which ultimately formed the foundation of all major civilizations from around the world. This edition is heavily illustrated with original illustrations.
