Joseph - Son of Jacob Michael Christian Bell

An inspirational and instructional Bible lesson about the life of Joseph the son of Jacob. This story is about the shaping of God's people and the developing of forgiveness, generosity, love, understanding, and leadership. Joseph, a type of Savior, sadly, but out of necessity, had to experience the full consequences of hatred and rejection from his jealous and cruel brothers. When Joseph saw the ten foreigners he recognized them instantly; a déjà-vu experience poignantly confronted him. Emotions engulfed his being as the profound dreams he had had as a young lad flooded back into his memory. The brothers didn't recognize him because in their minds Joseph existed only as a deep repressed memory. So Joseph kept his identity quiet and spoke officiously and suspiciously to them.
