Angie Healy

Sometimes My Brother: Helping Kids Understand Autism Through a Sibling's Eyes Angie Healy

Winner of an iParenting Media Award, this adorable picture book shows readers the challenges that children with autism face and the obstacles they overturn. It is lovingly written in the perspective of three-year-old Foster, who explains his experiences with his older brother, Gavin, who has autism. Vibrant photographs bring you right into their living room, school, and playground. Foster's innocent approach is perfect for teaching others what autism is all about, and for letting other siblings of children with autism know that they are not alone. Angie Healy, the boys' mother, provides a how-to section at the end so families can create their own personalized books.
