*A Heart Song Goes Out Through the Darkness*

A lovely young woman thrust beyond  
the reaches of her own world.

A brave young man searching  
for something he cannot explain.

Together they travel the pirated routes  
of a frozen and menacing land,  
separated by space and time,  
united in the call of their hearts.

One is taken captive and held hostage  
in a bleak and ominous world.

The other lives in a land of star-studded skies  
encircled by the brilliance of light.

Separated by endless night and sinister powers,  
their love grows with each stirring of the heart.

Danger lurks in the shadowlanes, seeking to destroy.

Yet out of the darkness comes yearning, hope, and triumph!

"Written with amazing foresight and ingenuity...

great entertainment reading. Highly recommended  
for those who like science fiction and outer space."
