Another turn of the cogs brings you the third installment in the Cogs in Time Anthology collection. Inside this full-length collaboration, the magical meets the mechanical, traditional meets new age, and all things are possible if you believe. Returning favorites and brand new authors have come together to carry you away into the past, off to faraway lands, and into brand new worlds. Meet surprising characters along the way as you discover places where steam driven machines, cog-powered humanoids, clockwork miracles, and paranormal magic thrive and inventors, dreamers, and revolutionist rule over all.
