How to Iron a Shirt

How to iron a shirt is one of the main struggles young men face when leaving home. Their mums have always done it for them and now they have to make a choice. Do they:

- Go about in wrinkly shirts?
- Get their girlfriend to do it?
- Learn how to iron a shirt themselves?

Wrinkly shirts are neither stylish nor attractive and girlfriends don't want to be unpaid servants any more than we do.

In *How to Iron a Shirt*, A E Stiles takes you from shirt label, through washing machine setting to ironing board using the techniques he learned as soon as he was old enough to see over the ironing board and hold the iron without burning himself:

- Fully illustrated
- Step by step
- How to choose an iron
- Fabric ironing guide
- Where to start, so the ironed bits stay ironed!
