The 9/11 Prophecy: Startling Evidence the Endtimes Have Begun James Fitzgerald

In July 2000, God sent a watchman to Madison Square Garden in New York City with warning of an imminent surprise attack that would be a sign pointing to the endtimes. When this very thing happened fourteen months later on 9/11, it proved to be God's terrible catalyst to begin the end-times right before our eyes.

The 9/11 Prophecy tells the remarkable testimony of the watchman who was sent to NYC at the Millennium. With amazing, irrefutable proof from scripture, history and providence, it shows how 9/11 set in motion two of the most critical end-time prophecies in the New Testament and how these specific prophecies will lead to America's fall before the rise of an Islamic Antichrist in this very generation.
