The Parasol Protectorate Volume 2 (2 in 1) Heartless and Timeless Gail Carriger

The Parasol Protectorate Volume 2 Victorian supernatural fantasy has never been funnier or more fashionable than in the hands of Gail Carriger. Now her New York Times bestselling steampunk series comes to a smashing conclusion in our exclusive hardcover omnibus, The Parasol Protectorate Volume 2. Heartless: A mad ghost is menacing Queen Victoria, and as the soulless Lady Alexia investigates, she and her trusty parasol are led deep into her were husband's past. Top that off with a suffragette sister (shocking!), Madame Lefoux's latest invention (incredible!), and a plague of zombie porcupines (bloody hell!), and Alexia barely has time to remember she's eight months pregnant! Can she learn who's trying to kill the queen before time runs out? Timeless: Alexia has settled into domestic bliss, but, alas, a summons has arrived that cannot be ignored. With husband, child, and Ivy Tunstell's acting troupe in tow, Alexia boards a steamer to Egypt. But the Land of the Nile may hold more mysteries than the indomitable Lady Maccon can handle. What does Alexandria's vampire Queen really want from her? Why is the God-Breaker Plague suddenly expanding? And how has Ivy become the most popular actress in the British Empire?
