You're about to discover how to change your life, starting now. Zig Ziglar says that if you aim at nothing, you will hit it everytime!

Now your Kindle is even more powerful than you ever dreamed because you downloaded this guide. You can have all of the potential in the world, but without setting a goal, it is useless. Just like you can't see anything in a microscope without focusing it, you can't achieve anything without a goal to focus your efforts. At the end of the day, goals will help give you direction toward your goal, and also toward the tools that will help you achieve that goal.

## Here Is A Preview Of What You'll Learn...

- The Reason You Never Make Your New Year's Resolutions last
- How a simple spiral notebook can make you a millionaire
- The most common reason people don't achieve their goals
- The best kept secret the elite don't want you to know
- Learn to put the Law of Attraction to work for you
- Simple 10 step daily program that guarantees success
- How to create a system that works as hard as you do
- Suc
