Redeeming the Republic: Federalists, Taxation, and the Origins of the Constitution

Roger H. Brown

Redeeming the Republic: Federalists, Taxation, and the Origins of the Constitution Roger H. Brown

Why were Federalists at the 1787 Philadelphia convention? ostensibly called to revise the Articles of Confederation? so intent on scrapping the old system and drawing up a completely new frame of government?

In *Redeeming the Republic*, Roger Brown focuses on state public-policy issues to show how recurrent outbreaks of popular resistance to tax crackdowns forced state governments to retreat from taxation, propelling elites into support for the constitutional revolution of 1787. The Constitution, Brown contends, resulted from upper-class dismay over the state governments' inability to tax effectively for state and federal purposes. The Framers concluded that, without a rebuilt, energized central government, the confederation would experience continued monetary and fiscal turmoil until republicanism itself became endangered.

A fresh and searching study of the hard questions that divided Americans in these critical years and still do today, *Redeeming the Republic* shows how local failures led to federalist resolve and ultimately to a totally new frame of central government.

Cinthia Jacobsen:

Is it you actually who having spare time then spend it whole day through watching television programs or just laying on the bed? Do you need something new? This Redeeming the Republic: Federalists, Taxation, and the Origins of the Constitution can be the reply, oh how comes? It's a book you know. You are thus out of date, spending your extra time by reading in this brand-new era is common not a nerd activity. So what these ebooks have than the others?

Florence Ross:

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's internal or real their passion. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that studying is not important, boring in addition to can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Redeeming the Republic: Federalists, Taxation, and the Origins of the Constitution can make you feel more interested to read.
