Earl of Rochester, John Wilmot

The Complete Poems Earl of Rochester, John Wilmot

John Wilmot, the notorious Earl of Rochester, was the darling of the polished, profligate court of Charles II. One of the finest poets of the Restoration, patron to important playwrights, model for countless witty young rakes in Restoration comedies, he lived a full but short life, dying in 1680 (with a dramatic deathbed renunciation of his atheism) at the age of 33. This edition of Rochester's poetry is annotated and introduced by David M. Vieth.
