The Man Who Sank Titanic: The Troubled Life of Quartermaster Robert Hichens Sally Nilsson
With previously unpublished research and family photographs, this book by Hichens' granddaughter sets the record straight about the Titanic quartermaster who steered into an iceberg and kept control of a lifeboat

Robert Hichens has gone down in history as the man who was given the famous order to steer the Titanic away from the iceberg and failed. A key witness at both U.S. and British Inquiries, he returned to a livelihood where fellow crewmen considered him jinxed. But Robert had a long career and was a hardworking, ambitious seaman. A fisherman at 19, he quickly became a junior officer in the merchant navy. In World War II he was part of a cargo ship convoy on route to Africa where his ship dodged mines, U-boats and enemy aircraft. To Robert, being at sea was everything but the dark memories of the Titanic were never far away and in 1933 a failed murder attempt after a bitter feud nearly cost Robert his life. Here Robert's great-granddaughter Sally Nilsson seeks to set the record straight and reveal the true character of the man her family knew. This is one man's story of survival, betrayal and determination.
