Destiny, danger, and downhill skiing!

Liz

My double mastectomy was the second hardest thing I've ever done. The first? Watching Dad bury my mom, taken far too young by breast cancer. He raised me, paid for my surgery, and was the best father a girl could ask for. He even had to sell their first home to keep us afloat, something I knew broke his already shattered heart again. I just wanted the money to buy it back. I've done so many wrong things for the right reasons and now it's catching up with me. A peaceful winter in Tellure Hollow was exactly what I needed. I'd learn how to ski, rock the snow bunny style, and reconnect with my best friend Kayla. It was all perfect until my ex Rick showed up, fresh out of prison, demanding I make good on our... arrangement. I don't know how I'm going to get out of this one.

Then I meet a gorgeous guy, scarred on the inside and out just like me... and something clicks. Maybe I can start down a different path, begin a new life, and leave the old me behind. Maybe, with him, I'll have a chance to heal these wounds.

Bryan

I'm lost and broken. I can't do the one thing I was built for: skiing. Competitive, Olympic-level, set-the-snow-on-fire skiing. Who the hell am I if I'm not The Blizzard? I've lost my career, my dad, my fiancé, my path in life. A quiet season in Tellure Hollow surrounded by old friends will be better than any therapy I've tried. The snow, the mountain, even if I'm stuck on the bunny slope, it'll be better than nothing.

How was I to know a beautiful, bold brunette could be just the thing to heal my heart? We both have pasts we'd rather forget. If I can keep her safe, maybe we can start a new life, a life after "The Blizzard"?

Caught and Saved by the Blizzard is the perfect blend of romance and suspense. This winter sports thriller features two strong-willed new adult characters during the most stressful vacation of their lives. Set during Christmas in snowy Colorado, it's the perfect novel to read while cozied up under a warm blanket. This novel contains adult language, sexual situations, and violence. It's intended for adults.
