Power to the People Laura Ingraham

Top-rated radio personality Laura Ingraham is fed up with the rule of the elites, and POWER TO THE PEOPLE issues a call to arms-a plea to reinvigorate our birthright of liberty, to reconnect to our American heritage, to revive our commitment to traditional, conservative principles, and to grow as people by summoning our moral resolve and living our faith.

Ingraham exposes the threats we face from an emboldened cultural Left, global dogmatists, science worshippers, and politicians who spend more time on their hair than on constituency outreach. She also offers real-world solutions for how we can demand more from our leaders and ourselves. POWER TO THE PEOPLE will not just rile up Ingraham's millions of fans, it will also incite readers to do their part to protect the country that we love. "It is ours to lose," she writes, "and there are many at home and abroad who are more than willing to take it from us. Let's get to work. If each of us does our part, we can't lose."

And amidst these rallying cries and clarion calls to America, Ingraham reveals with heart wrenching honesty and in poignant detail her battle with cancer and the surprising gifts the insidious illness bestowed upon her - incredible strength through weakness, the meaning of sacrificial concern for others, and most importantly, a new-found and deeper faith.

In true Laura Ingraham spitfire style, POWER TO THE PEOPLE rallies Americans to grab their pitchforks and storm the castles of the old media, over-reaching judges, openborders politicians, radical academics, and unelected bureaucrats. She challenges people to not only take back the power, but to also give of themselves to recapture America's spirit and greatness.
