A Summer In Cherry Grove: A Feel Good Novel About Southern Friendship Lillie Scott

This is a story of friendship that takes place in Cherry Grove, South Carolina, where Olivia Paige and her friends will spend their summer vacation at a home owned by Olivia's family. These ladies have been friends all their lives but haven't spent much time together in the past few years. They lost touch when each of them went in separate directions for college. Each of them is ready to see one another again.

After arriving in Cherry Grove, they find out quickly that their friendships never faded. They're stronger than they've ever been.

Soon an old love interest of Olivia's comes back into her life but things aren't as simple as they seem. As a matter of fact, it gets complicated quickly. Olivia never expected him to come back into her life and especially not now.

As if one old love interest is not confusing enough, the only other man that Olivia has ever had feelings for, also comes back into her life. She has a lot of decisions to make in regards to the two men. Just when she thinks she's got it all figured out, things take a strange and unfortunate turn.

Olivia's friends are there every step of the way and for that, she couldn't be more grateful. When the vacation comes to an end, she finds that she's leaving with more than she'd planned on.
