## **Back in the Saddle (Jessica Brodie Diaries 1) Willow Summers**

On the tail end of another heartache, Jessica decides she's had enough. Enough parties, enough mistakes, and enough of this rut she's thrown herself into. When college finally grinds to a halt after four hazy years, she makes a decision. She'll take a job in Texas, move out of L.A. for the first time in her life, and wipe the slate clean.

If only growing up was that easy.

Not one night in Texas and she meets the most ruggedly handsome cowboy she's ever seen. William Davies has it all: wealth, prestige, profitable business ventures and women throwing themselves at him. But while Jessica theoretically knows he's way out of her league, old habits die hard.

As Jessica struggles to flesh out this new life, William struggles to keep her at arm's length. But Fate, and an adventurous spirit, has Jessica continuously bumping into him, making a mark as only she can.
