Intuición: El conocimiento que trasciende la lógica (Spanish Edition) Osho

¿Qué es la intuición? Es algo con lo que nacen algunas personas y que otras no pueden siquiera esperar desarrollar nunca? ¿Es algo susceptible de ser enseñado a través de cursos, aplicando una serie de fórmulas que cualquiera puede dominar con un poco de perseverancia y determinación?

La intuición es la percepción directa de la realidad sin que haya ninguna interferencia de los prejuicios y la ideología de la mente. Es un "conocimiento que trasciende la lógica"; sólo aquellos que son capaces de trascender las limitaciones de la lógica y el análisis son también capaces de responder creativamente a las situaciones nuevas y cambiantes que encuentran cada día. En este libro, Osho muestra el camino para eliminar los obstáculos que han sido colocados en el recorrido de nuestra intuición, de modo que esta pueda florecer y proporcionar así un nuevo tipo de inteligencia y plenitud a nuestras vidas.
