## **Project Management in Theory and Practice** Henriette Bjerreskov Dinitzen

*Project Management in Theory and Practice* simplifies and clarifies the process of project management. The book provides easy-to-follow case studies and exercises that present examples of structured project management. The accompanying forms for project documentation and the in-depth descriptions of project-management tools enable the reader to build up an overview of the various processes involved in a project. It is useful both as teaching material and as a reference book for ongoing business projects.
