## **The Songcatcher** Sharyn McCrumb

Capturing the enduring beauty of the Appalachian mountains where she sets her novels, Sharyn McCrumb returns with a beautifully written, historically accurate tale of a song's passage through history—from the 1700s to the present, from the shores of Scotland to western North Carolina...where a folksinger longs to rediscover its haunting tune.

"Quite charming." (*Los Angeles Times*)

"Once again McCrumb has earned her place among the ranks of America's top storytellers. (*Tampa Tribune*)

"Intriguing...suspenseful." (*Orlando Sentinel*)

"McCrumb writes with quiet fire and maybe a little mountain magic." (*New York Times Book Review*)
