Therapeutic Stories that Teach and Heal

Nancy Davis

Therapeutic Stories that Teach and Heal Nancy Davis

A collection of 108 therapeutic stories with a variety of themes (chapter heading). Stories range from those appropriate for young children to those designed for adolescents and adults (sample stories). Each story is accompanied by a cover page describing the meaning of symbols and metaphors used in the story, the types of problems for which it can be effective, suggestions for tailoring the story for a particular listener, and information on the reason the story was originally designed. Soft cover; 589 pages; published in 1996.
