Alternative Scriptwriting: Successfully Breaking the Rules

Ken Dancyger, Jeff Rush

Alternative Scriptwriting: Successfully Breaking the Rules Ken Dancyger, Jeff Rush

Going beyond the conventional three act structure and exploring more inventive approaches, *Alternative Scriptwriting* challenges readers to take creative risks with genre, tone, character, and structure. It explores mainstream, personal, and experimental narrative forms, surveying both American and international films. In a field where novelty often equals commercial success, scriptwriters frequently strive to create screenplays that are innovative and exceptional.

Alternative Scriptwriting links scriptwriting to other forms of storytelling, and discusses issues including the three act structure, working with and against genre, character identification, and the implications of screenplay form. Key issues, examples, and case studies demonstrate what works, what doesn't, and why. Exercises encourage writers to explore new ways of viewing their work and to test the limits of their skills.

Additions to the third edition include:

- * a comparative study of how two very different filmmakers handle different types of film.
- * a look at ways in which narrative tension, story structure, and perspective can be used when writing for the digital film
- * a study of adapting contemporary literature for film
