With your heavy case load, you can't afford to waste time searching for answers. Online and in print, Cardiology, 3rd Edition, by Drs. Crawford, DiMarco, and Paulus, offers you just the practical, problem-based guidance you need to quickly overcome any clinical challenge. 8 color-coded sections cover the 8 major clinical syndromes of cardiovascular disease-each section a virtual "mini textbook" on its topic! 40 new chapters keep you up to date with the latest advances in the field, while more than 2,000 lavish, high-quality illustrations, color photographs, tables, and ECGs capture clinical manifestations as they present in practice. Expert Consult functionality enables you to reference the complete contents from any location...and find the guidance you need in less time. It's current, actionable information that you can put to work immediately for your patients!

Your purchase entitles you to access the web site until the next edition is published, or until the current edition is no longer offered for sale by Elsevier, whichever occurs first. Elsevier reserves the right to offer a suitable replacement product (such as a downloadable or CD-ROM-based electronic version) should access to the web site be discontinued.
