As a university student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just minor students that has reading's spirit or real their interest. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful

photos on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want.
