**DIVERSION by Aubrey James**

**Vanessa Stephens thinks she's in for just another boring weekend in Oxford, England at the 2015 Behavioral Economics Conference.**

**Even the name of the conference is boring, as are the speakers and most the attendees.**

**But as a top insurance analyst for a large London firm, it's her job to attend every session, pay close attention, and report back to her board the following Monday.**

**Paying attention gets much more difficult when a handsome Irishman named Patrick takes a seat beside her and proceeds to**

**distract her in a most wonderful way.**

**It's completely out of character for the normally "all business" Vanessa to do so, but she takes Patrick up on his invitation to ditch the conference and have a drink at a local pub.**

**It's even more out of character for her to end up being ravished on a public park bench and then inviting the total stranger back to her room.**

**Unbridled sex, comedy, and love ensue in this first installment of the Vanessa and Patrick series.**
